**14 FEB 1961**

My dear Mr. Dulles,

I am writing in regard to the final arrangements for your lecture to the Senior and Junior Schools on 3 March 1961.

Your lecture on the "Areas of Vulnerability of the Soviet Bloc" is scheduled in Ellis Hall from 1030 to 1220. May I suggest that Colonel Vincent R. Kramer, your escort officer, meet you at the Iwo Jima statue on Route 1, Triangle, Virginia at 0930. This will allow time for a brief visit prior to your presentation.

We are looking forward with pleasure to your return to Quantico and to the honor of your company for luncheon.

Sincerely,

**E. W. SNEDEKER**  
Lieutenant General, U. S. Marine Corps

The Honorable Allen W. Dulles  
Director  
Central Intelligence Agency  
Washington 25, D. C.
